Quoted prices, terms and specifications are as of 04/03/2018 and are subject to change without notice. Unit sizes include around 30% mezzanine square footage. Square footage are approximations and may vary between individual units. Clear heights are approximately 26 feet. Prices include an undivided interest in the common area. Owners or tenants may not operate a business that serves customers in-person from these premises. See CCRs for all usage restrictions. Buyers are recommended to consult with their CPA or other tax professionals when contemplating a purchase and seek advice as to the applicability of the benefits, requirements and restrictions of a purchase.
